Baker Hughes Recruitment – Jobs at Baker Hughes 2025

Description

Baker Hughes is a leading global energy technology company, and we are currently seeking a dynamic and skilled Field Service Engineer to join our team. As a Field Service Engineer at Baker Hughes, you will play a crucial role in providing technical support and expertise to our clients in the energy sector. If you are passionate about cutting-edge technology, thrive in a fast-paced environment, and enjoy solving complex challenges, this position is an excellent fit for you.

Responsibilities

- **Field Support:** Provide on-site technical support to clients, ensuring the smooth operation and maintenance of Baker Hughes equipment and technology.
- **Troubleshooting:** Diagnose and resolve technical issues related to Baker Hughes products, collaborating with cross-functional teams to deliver effective solutions.
- **Installation and Commissioning:** Conduct installation and commissioning of equipment, ensuring compliance with safety and quality standards.
- **Customer Relationship Management:** Build and maintain strong relationships with clients, understanding their needs and providing exceptional service.
- **Training:** Conduct training sessions for clients on the proper use, maintenance, and troubleshooting of Baker Hughes products.
- **Documentation:** Prepare detailed service reports, documenting all activities, issues, and solutions for future reference.
- **Continuous Improvement:** Actively participate in continuous improvement initiatives, providing feedback to enhance product performance and customer satisfaction.

Qualifications

- Bachelor's degree in Mechanical Engineering, Electrical Engineering, or a related field.
- Proven experience in a similar role within the energy or technology industry.
- Strong technical and problem-solving skills with a focus on customer satisfaction.
- Excellent communication and interpersonal skills.
- Willingness to travel frequently to client sites.
- Ability to work independently and as part of a team.
- Familiarity with Baker Hughes products and technologies is a plus.

Job Benefits

- Competitive salary and performance-based bonuses.
- Comprehensive health and dental insurance.
- Retirement savings plans with company contributions.
- Professional development opportunities and training programs.
